

## Peter A. Baldini

### ***Chief Executive Officer***

Peter Baldini was instrumental in establishing the World Lung Foundation in 2004 and is a current member of the board. He has been the executive director since August 2007, managing the organization's operating budget, its many international projects, and its rapidly expanding staff.

Under his leadership, World Lung Foundation (WLF) works to develop training programs, advocate for evidence-based lung health policy, promote scientific exchanges among researchers, and raises funds to further basic science to treat and cure lung disease.

Mr. Baldini worked for more than 25 years in the insurance and financial services industries and has served as Chief Executive Officer/President, among other executive level positions. His financial acumen and management expertise have helped WLF grow significantly in a short time.

Mr. Baldini holds a Masters Degree from Fairleigh Dickinson University in New Jersey and a Bachelors Degree from Pace University in New York. He and his wife Christina live with their children in Pennington, NJ.
